Dear Dr. Gianotti,

Since November 2015, CERN has been blocking my gmail address "due to phishing attack".

Thou Shalt Not Lie.

I never made any "phishing attack", and never will.

I have only expressed my criticisms of CERN spending billions and billions of euros -- all taxpayers' money -- for your so-called "Higgs field": see an excerpt (attached) from the last page in my book 'The Physics of Life' at <http://www.god-does-not-play-dice.net/Intro.pdf>

NB: Do not even think that this is the end of story. Quite the opposite.

Dimi Chakalov

CERN uses **modern versions** to measure the quantum "**jackets**" in the so-called **standard model**. They cannot explain the effect from 1911 either, so the talibans at CERN **blocked my email**. I was only trying to help CERN, as **quantum chromodynamics** cannot explain even the **proton**. Before spending **\$13.25 billion** for some "**Higgs field**", CERN should have done their **homework**.

Subject: Re: Submission to CERN Document Server  
Dear Mr Cons,

I regret to inform you that the talibans at CERN have blocked my email "due to phishing attack":

<http://www.god-does-not-play-dice.net/CERN.pdf>

Again, let me stress that I am totally against wasting BILLIONS of euros and dollars -- taxpayers' money earned with hard labor by millions of people -- for chasing the so-called "Higgs boson". It is not 'physical reality' and cannot be detected, ever. The facts are widely known ever since 1911,

[http://www.god-does-not-play-dice.net/Fig\\_8\\_small.jpg](http://www.god-does-not-play-dice.net/Fig_8_small.jpg)

If the talibans at CERN ignore the facts, they will never be able to understand "the tantalising signals observed in season 1",

<http://home.cern/about/updates/2015/11/lhc-collides-ions-new-record-energy>

Erwin Schrödinger explained the problem in 1935. Details at my website (link below).

Could you please tell the talibans at CERN about the difference between science and phishing ? After all, your pay check is also paid by taxpayers' money.

Thank you in advance for your time and consideration. As always, I stand ready to support my accusations with FACTS.

Sincerely,

D. Chakalov
