Subject: CERN talibans: Get professional.  
"Overfunded research is like heroin: It makes one addicted, weakens the mind and furthers prostitution."  
Johann Makowsky, The Jerusalem Post, 19 April 1985.

Shame on you, CERN talibans. You are wasting BILLIONS of euros, all taxpayers' money.

All you could do is to ban my email address due to some "phishing attacks", which I have never made. Fact.

Check out the slides of my forthcoming talk in Geneva at [http://www.god-does-not-play-dice.net/DC\\_Slide\\_1.pdf](http://www.god-does-not-play-dice.net/DC_Slide_1.pdf)

If you cannot find any "phishing attacks" in my slides, come to the conference in Geneva this June, <https://beyondspacetime.net/2017conference/>

I will give you a lesson you will never forget.

Promise.

Subject: CERN talibans: Get professional.  
"Overfunded research is like heroin: It makes one addicted, weakens the mind and furthers prostitution."  
Johann Makowsky, The Jerusalem Post, 19 April 1985.

Shame on you, CERN talibans. You are wasting BILLIONS of euros, all taxpayers' money.

All you could do is to ban my email address due to some "phishing attacks", which I have never made. Fact.

Check out the slides of my forthcoming talk in Geneva at [http://www.god-does-not-play-dice.net/DC\\_Slide\\_1.pdf](http://www.god-does-not-play-dice.net/DC_Slide_1.pdf)

If you cannot find any "phishing attacks" in my slides, come to the

conference in Geneva this June,  
<https://beyondspacetime.net/2017conference/>

I will give you a lesson you will never forget.

Promise.
